Nevada KIDS COUNT Partners

The University of Nevada Cooperative Extension (UNCE) is an educational outreach unit of the University of Nevada, Reno. UNCE provides educational programs throughout the state by conducting needs assessments, designing and delivering educational programs, and conducting evaluation studies. Known for its 4-H youth work, UNCE also offers a number of award-winning programs for vulnerable children and families.

The Nevada KIDS COUNT Advisory Council, formally established in 1995, is a dedicated, 51-member council that includes statewide representation from a wide range of diverse organizations working with children or families in Nevada. This broad-based representation encompasses state government, county governments, public and Nevada agencies, Nevada KIDS COUNT partners, data providers, and the business community.
